

HALLENPLAN / Exhibition halls

-  Eingänge
-  Mit dem Expressway können Besucher schnell und bequem die West-Ost-Hallen erreichen.
-  EMS Electronic manufacturing services, PCBs and other circuit carriers
-  Electromechanics and system peripherals, Interconnection components
-  Electromechanics and system peripherals, Interconnection components, Relays, switches and keyboards
-  Electromechanics and system peripherals, Interconnection components, Casing technology
-  Test and measurement
-  Power supplies
-  Passive components
-  Sensor technology, Micro- and nanosystems (NEMS, MEMS)
-  Embedded systems all halls
-  Semiconductors
-  Displays
-  Automotive all halls
-  Wireless
-  SEMICON Europa 2022
-  all halls ED / EDA, Servo-technology, Assemblies and subsystems, Services
-  ICM Conferences
